If you or someone you love lives with limited mobility, you understand the struggle of getting around the home. Shelves to Drawers, Co. Roll-Outs can help make life a little easier when it comes to reaching items stored in cabinets.

Limited mobility is a challenge. But, so is getting on your hands and knees trying to reach the back of your cabinets. The strain on back and knees can be intolerable for some. Shelves to Drawers, Co. Roll-Outs can be easily installed in your existing cabinets for a fraction of the cost of a remodel. They are custom made to order to ensure the best possible fit. Many people enjoy them in their pantries, kitchen cabinets, linen closets and under sinks with our under sink caddy.

Once you live with Shelves to Drawers, Co. Roll-Outs, you may ask yourself how you lived so long without them. In fact, many of our clients call us when they are moving to a new home or to add them to their 2nd home or even just to add more roll-outs to their current home. They make for an interesting conversation among friends and family, and do not be surprised if they ask how they too can buy some Shelves to Drawers, Co. Roll-Outs for their home.

Another benefit to having Shelves to Drawers, Co. Roll-Outs in your home is the wonderful, almost effortless way they help to make things more organized. Something everyone, not just those with limited mobility can appreciate.

Shelves to Drawers, Co. Roll-Outs come in a variety of materials, however all natural Birch is by far our top seller. We also carry White Melamine, Maple, Solid Oak and Solid Cherry. We only offer Full Extension ball bearing slides that carry up to 100 lbs. and Dovetailed corners come standard.
