

Why Start An Expensive Franchise, When You Can Become A Shelves To Drawers Company Dealer?

By Shelves To Drawers Company

Dated: Aug 17, 2009

If you are like a lot of people in the United States, you would like to work for yourself, without working completely by yourself.

Did you know that you can start a business through the Shelves To Drawers Company Dealer Program with the support of a company and still get many of the same benefits as starting a franchise? with:

- NO monthly franchise fees!
- NO lengthy contracts full of legalese!
- NO minimum orders!
- NO minimum marketing budgets!
- NO large start up fees!
- NO multiple territories to purchase the rights too!

The Shelves To Drawers Company Dealer Program is an affordable "out of the box" start up Business Opportunity, or fits as an easy addition to a complimentary business which can be started for as little as \$395.00 (+S&H)!

At Shelves To Drawers Company, we are committed to providing top quality, custom sized, roll out storage solutions for existing cabinets. Making life easier for our Dealers and Clients!

The price of our dealer program includes training, a professional quality sales kit, professionally designed order forms, marketing materials and other forms to help you get started, saving both time and money!

We also provide discounted dealer pricing off of our retail prices making our one time dealer start up fee and ongoing product cost the lowest we know of in the industry for a comparable opportunity! Contact a Shelves To Drawers Company representative for more details and to become the next SHELVES TO DRAWERS COMPANY DEALER!
